DISARONNO GROUP COMPLETES ACQUISITION OF AMARO AVERNA AND ZEDDA PIRAS

Saronno, Italy — 3 June 2026 — DISARONNO GROUP, a diversified multinational operating across nearly 160 countries with three divisions (Spirits, Wines and Ingredients), more than 800 employees and annual revenues of €370 million, today announced the completion of its acquisition of Amaro Averna and Zedda Piras from Campari Group.

The transaction, first agreed in December 2025, was closed on 28 May 2026 through the transfer of ownership of the newly formed Meridia S.r.l., based in Sassari, from Campari Group to DISARONNO GROUP.

All 11 employees from the two production sites — Amaro Averna in Sicily and Zedda Piras in Sardinia — have been transferred to Meridia.

Marco Ferrari, CEO of DISARONNO GROUP, said: "This acquisition is an important milestone in our growth strategy. It allows us to strengthen our international portfolio and reinforces our presence in key markets — the United States, Germany and Italy — through Amaro Averna. For Zedda Piras, our priority is to consolidate and grow its footprint in the Italian market."

The closing follows the Group's recent rebranding to DISARONNO GROUP, a move designed to reinforce its global positioning.
